REAL ESTATE ADVISORY GROUP

City Financial Tower is the premier Class A office building nestled in the heart of downtown Honolulu. This iconic property offers an unparalleled environment for businesses seeking prestige, functionality, and convenience. Positioned on the corner of Alakea and Merchant Streets, City Financial Tower provides easy access to key financial institutions, government offices, and downtown Honolulu's bustling business district.

The property features sleek design elements, a grand lobby, and panoramic glass windows that showcase the vibrant cityscape and ocean views designed by one of the most prominent architects of the 20th century, Minoru Yamasaki; making it one of the most notable structures in the Central Business District skyline.

City Financial Tower is backed by a robust local institutional ownership, ensuring long-term stability, a commitment to the community, and exceptional property management standards. This deep connection to Hawaii ensures that the property remains a cornerstone of the city's vibrant business ecosystem.

Enjoy sweeping views of the Pacific Ocean, Honolulu Harbor, and the majestic Ko'olau Mountains from select office spaces, providing an inspiring backdrop for your business operations.

City Financial Tower combines prime location, sophisticated design, and modern amenities with the strength and stability of local institutional ownership. Elevate your business and join the elite companies that call City Financial Tower home.

# Property Information & Highlights
