GROWING POPULATION

The City of Phoenix is one of the fastest-growing and most dynamic cities in the United States, offering a business-friendly environment and exceptional quality of life. As the nation's fifth-largest city, Phoenix is home to approximately 1.67 million residents with a median age of 35. Continued population growth and strong in-migration have fueled demand across housing, retail, and employment sectors, reinforcing Phoenix's position as a premier destination for businesses and families alike.

BUSINESS IN PHOENIX

Phoenix serves as the economic center of Arizona and one of the leading business markets in the Southwest. The city is home to more than 50,000 businesses and supports a diverse economy driven by advanced manufacturing, technology, healthcare, financial services, aerospace, and logistics. Continued corporate relocations and expansions have contributed to sustained job growth throughout the region.
