About School Report

Public Schools

The Public School report lists schools within the district boundary of the subject property. For confirmation on schools within the districts, please contact Student Services office of your assigned district.

API Index

The Academic Performance Index (API) measures academic performance and growth of schools, which includes results of the Stanford 9. The API reports a numeric scale that ranges from 200 to 1000. A school's score or position on the API indicates the level of a school's performance.
