HAMILTON LAKES BUSINESS PARK · ITASCA, ILLINOIS

One Pierce Place

One Pierce Place, Itasca, Illinois 60143

Sixteen floors above the lakes of Hamilton Lakes — the tallest address in Chicago's western suburbs, owned and managed by the firm that built it.

THE BUILDING

The one you can see from the tollway.

One Pierce Place is the signature building of Hamilton Lakes: sixteen floors, 525,422 square feet, standing over the park's lakes at IL-390 and I-355 in Itasca.

Floor plates run 32,838 square feet, column-free at the perimeter and glazed on all four sides, so a full floor gets daylight from every direction and a small suite still gets a window line.

Hamilton Partners developed the building, owns it, and manages it from the park — leasing, engineering, and property management are all on site, and decisions about your space get made by the people who answer the phone.

ARRIVAL

A lobby with a horizon.

The lobby runs two stories of glass along the west face, so the first thing anyone sees on the way in is the lake and the park behind it.

Seating, café tables and soft-seat groupings sit off the main path — a place to take a call or meet someone without booking a room.

ONE PIERCE PLACE

The bronze horses at the entry drive have marked the address since the building opened — the easiest set of directions in the park.

IN THE BUILDING

Everything a floor of your own can't hold.

A conference center off the lobby seats 70 and books through building management, so a company on 3,200 square feet can still host an all-hands.

The fitness center was rebuilt for tenants who would rather not leave at lunch. A delicatessen and sundry shop cover the rest of the day, and covered parking means you arrive dry.

>
The delicatessen and sundry shop are on the lobby level; the conference center books through on-site management at no charge to tenants.

HAMILTON LAKES BUSINESS PARK

Seventeen suites are available today, from a three-window starter suite to three contiguous floors joined by a monumental stair.

Every suite is offered turnkey: Hamilton Partners designs and builds the space with its own construction group, on terms set to the deal rather than to a rate card.

Availability as of August 2026 and subject to change. Rental rates are quoted per deal — term, condition and build-out all move the number — so call leasing rather than a rate sheet.
