

1155 F STREET

TROPHY DESIGN | EFFICIENT PERFORMANCE

Douglas Development

CORPORATION

For over three decades, Douglas Development Corporation has garnered redevelopment successes in the District of Columbia, as well as in suburban Virginia and Maryland. Douglas Development has earned a reputation for revitalizing underdeveloped, emerging areas and continues to win praise from local government authorities, community members, neighbors, and the real estate community at large.

Dominating F Street between 11th and 12th Streets NW, 1155 F Street is the perfect blend of history and performance. Designed in 2009 by architects Shalom Barnes and Pei, Cobb, Freed & Partners, the building is a stunning showcase of a modern and efficient office building artfully merged with the charisma of seven historic row homes via a breathtaking atrium.
