The Purpose of this plat is to add additional boundary information to the old lot line as shown on M.B. 57, Pg. 122

- I, Edwin N. Foley, Professional Land Surveyor No. 2884, certify to one or more of the following as indicated:
- A. That the survey creates a subdivision of land within the area of a county or municipality that has an ordinance that regulates parcels of land;
  - B. That the survey is located in a portion of a county or municipality that is unregulated as to an ordinance that regulates parcels of land;
  - C. Any one of the following:
    - That the survey is of an existing parcel or parcels of land and does not create a new street or change an existing street.
    - That the survey is of an existing building or other structure, or natural feature, such as a watercourse; or
    - That the survey is a control survey.
  - D. That the survey is of another category, such as the recombination of existing parcels, a court-ordered survey, or other exception to the definition of subdivision;
  - E. That the information available to the surveyor is such that the surveyor is unable to make a determination to the best of the surveyor's professional ability as to provisions contained in (A) through (D) above.
