

LET US BE YOUR STORAGE WAREHOUSE

WHO WE ARE?

Commercial Storage Specialists' focus is to provide commercial clients with a dedicated, full-service storage management solution.

WHAT WE DO?

Our expertise extends beyond confidential documents and files to include furniture, fixtures, equipment, medical equipment, medical devices, machinery, marketing materials, general records, files, and really anything that you need to be stored.

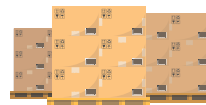

**WE DO IT BETTER
FOR LESS**

We will palletize, shrink-wrap and secure your assets on industrial-grade shelves for less than you can do yourself.
