LOCATION OVERVIEW

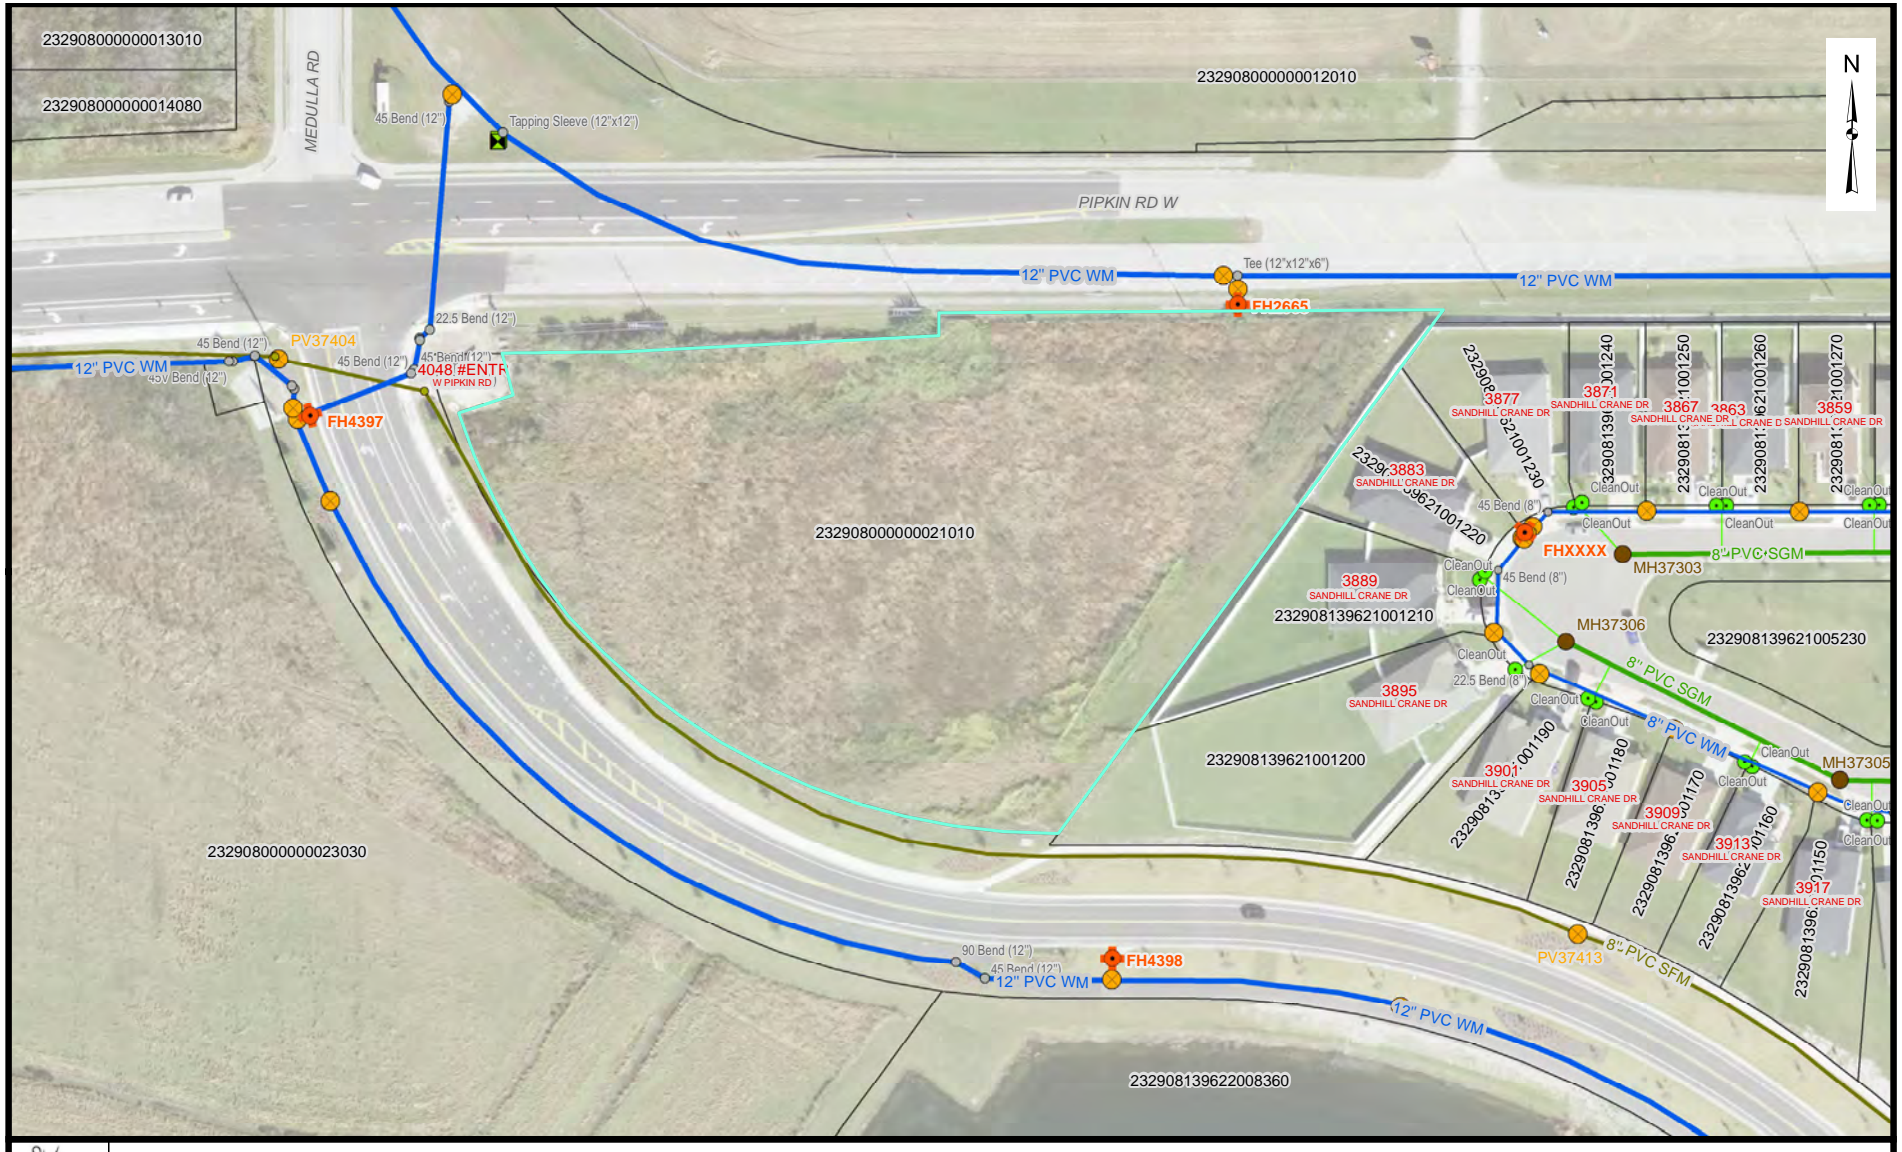

The 3.22 ± acre commercial corner property at the intersection of West Pipkin Rd and Medulla Rd in Lakeland, FL has potential for a variety of uses. The location near the new Riverstone subdivision and the Southwest Lakeland market's growth with proposed residential and multi-family units will bring additional commercial demand to the area. The recent acquisition of adjacent land for a future public park adds appeal as well. The property's access via West Pipkin Rd, a major artery to highways, enhances convenience, though the intersection is not yet signalized. All this growth equates to close approximately 2,000 upcoming units within just one mile from the property.

** The site has a future land use of Business Park, but does not have zoning. This land use could provide for zoning districts like O-1, O-2, O-3, C-1, C-2, I-1, and I-2, with highest and best uses of retail, office, or special uses like schools and churches.

ROAD EXPANSION TO SUPPORT GROWTH

POLK COUNTY APPROVES \$42 MILLION CONSTRUCTION PROJECT TO WIDEN PIPKIN ROAD

The Ledger Article from July 2021 - <https://www.theledger.com/story/news/local/2021/07/23/polk-county-approves-42-million-construction-project-widen-pipkin-road/8059422002/>

A 3.8-mile stretch of roadway in South Lakeland is getting a \$42 million makeover.

The Polk County Commission on Tuesday approved a construction contract with Winter Park-based Hubbard Construction for the widening of West Pipkin Road from Medulla Road to South Florida Avenue.

The city of Lakeland will contribute \$6 million as part of a joint agreement.

Construction is expected to start by August and last up to two years. During that time, motorists should expect some inconvenience in their commute, County Manager Bill Beasley said.

The project calls for West Pipkin Road to be widened from two lanes to four from Medulla Road to Old Hwy 37. The stretch from Old Hwy 37 to South Florida Avenue will go from two lanes to three. The cost also includes upgrades to drainage, signing and pavement markings, and the installation of traffic signals.
