

This drawing is for conceptual purposes only. While it closely resembles the space, it is not precisely accurate.

The diagram is a floor plan of a rectangular room. On the left wall, there is a door and a window. The top wall features five horizontal lines, likely representing a row of windows or a decorative element. On the right side, there is a large rectangular area, possibly a kitchen or a service area, with internal divisions. A small table with two chairs is located in the top right corner of this area. The main room is mostly empty, with a large open space in the center.
