Details:

This chiropractic/medical office presents an ideal opportunity for both owner-users and investors seeking a versatile space suited for medical, wellness, or professional services. Previously occupied by a healthcare provider, the property benefits from an established medical presence, making it a natural fit for uses such as chiropractic care, physical therapy, counseling, dental services, insurance offices, or general professional operations. The single-story layout offers convenient access and strong potential for efficient patient or client flow. Strategically positioned in Howard County, the property serves a population of over 84,000 residents, including approximately 60,000 within the city of Kokomo. Its location along S. Berkley Road provides easy connectivity to nearby neighborhoods, retail corridors, and essential local services, enhancing both visibility and accessibility.
