Community Profile

Poway offers a diverse range of housing options, an outstanding school district, a thriving business park with over 19,000 jobs, a broad range of dining and shopping opportunities, beautiful parks, and 76 miles of trails. Poway benefits from the lowest crime rates of incorporated cities in San Diego County since 1981, and one of the overall lowest in the state.

As part of the South Poway Planned Community, the 700-acre Poway Business Park offers tenants high-quality infrastructure, numerous amenities, and plenty of open space in keeping with the city's rural surroundings. The project was specifically designed to meet the needs of light industrial and manufacturing, warehousing and distribution, and research and development businesses, including Amazon, General Atomics and Geico Direct Insurance.
