

57-35 LAWRENCE STREET UNIT #CF-BA FLUSHING, NEW YORK 11355

An Extraordinary Opportunity to own your own Community Facility Condo in the much sought after section of Flushing! Located within minutes of Flushing Hospital Medical Center, as well as New York-Presbyterian Queens Hospital, it renders the perfect location to open a new private practice or open a second location for a practicing physician! The space offers a great deal of flexibility in that it can be used as one large space, or based on its strategic layout, it can serve as two independent medical offices based on having two access points on either side of the building. Don't miss out on this rare opportunity to secure a prime medical office space in Flushing!
