OVERVIEW

The subject property consists of 4,461 square feet of industrial space, zoned IB1 to allow for a versatile range of industrial and business uses including light manufacturing and storage. The unit is currently configured for light manufacturing and features a dock loading door, 3,117 square feet of open warehouse space, and 308 square feet of office on the main floor. The second floor consists of 1,036 square feet of built-out office space, including one enclosed office, a large open office or boardroom area, a break room with kitchenette, and a washroom. The main floor also includes a front office, a workshop, and a second washroom. The unit is improved with a 2-tonne overhead crane, which can be included.
