INDUSTRIAL UNBOXED

Development strategies for industrial users which deliver unrivaled efficiency and workplace strategizes.

DESIGN FOCUSED

Unmatched building amenities boosting employee productivity.

In today's competitive environment, employers need to differentiate themselves in order to recruit top talent. GO Industrial design decisions are human-centered. Our facilities enhance employee engagement, reduce absenteeism, lower healthcare costs, and improve the recruitment and retention of top talent.

LOCATIONALLY DRIVEN

Site selections driven by infill locations in heavy employment corridors.

In-demand locations create high barriers to entry for buyers and developers, thus requiring a creative solution to source and acquire these opportunities. GO Industrial provides logistics solutions for businesses feeding the demand of these growing populations.

RAISING STANDARDS

Delivering a new level of Class A product to an evolving market. Our buildings are constructed to support e-commerce and logistic uses with industry-leading clear heights, expandable power, fullyinsulated and air-conditioning ready. To support building longevityand reduce operating expenses building slabs, truck courts and roof systems are thoughtfully engineered and constructed.

Our spec office improvements allow for near immediate tenant occupancy and break the mold of the dated warehouse office environment, offering higher end finishes, open workplaces and health focused workout and break areas.
