

899 Adams Street

St. Helena, CA

Prime Retail/Office Location ~ ±5,050 SF

Welcome to 899 Adams at the Wine Business Professional Center. This iconic building is located across from the vineyards at the end of Adams Street. It is completely outfitted as a high-end retail bank branch with first class offices attached. This space is a natural fit for an institution looking to enhance its branding in the upper Napa Valley. Two additional conference rooms are available on a shared basis: the smaller one fits 10 people, and the larger one has a kitchenette, and can host up to 40 people for training, team building or conferences.

Thoughtfully designed and appointed with quality finishes, this space is ideal for serving a combination of high-net worth customers and fully accommodating traditional retail banking.
