213 ASHLAND PLACE

FORT GREENE | BROOKLYN, NY 11217

213 Ashland Place presents a rare opportunity to acquire a fully renovated four-unit, 100% free-market brownstone investment property located in the heart of Fort Greene's Historic Landmark District. Originally built in 1900 and comprehensively gut renovated in 2016, the property offers investors and owner-users a turnkey asset in one of Brooklyn's most sought-after neighborhoods.

Comprised of four above-grade floors and a finished callar, the property's flexible layout provides multiple ownership scenarios. A purchaser may elect to combine the finished callar, garden level, and parlor level to create a spacious owner's duplex while producing units. Alternatively, partnends as income-producing units. Alternatively, the property lends itself to the creation of an expansive owner's triplex while maintaining rental income from the remaining apartments. This flexibility makes 213 Ashland equally appealing to investors and owner occupants seeking a premier Fort Greene residence with the benefit of supplemental income.
