Nearly 1.8 Million Square Feet of Commercial Space

About Maple Lawn

Maple Lawn is a 605-acre mixed-use community built on the principles of Traditional Neighborhood Development. People can walk to shops, services and even to work. The community includes corporate and medical office buildings, as well as residential: six neighborhoods with a total of 1,308 homes.

Maple Lawn is perfectly positioned off Route 29 in the Baltimore-Washington corridor, just minutes from major business centers, government agencies and research universities.

Located in Howard County, this mixed-use community has become a distinctive corporate address. Maple Lawn is a headquarters-quality location, strategically positioned between Washington, D.C. and Baltimore.

Quick Facts

- ▶ State and county incentives to assist companies relocating or expanding to Howard County
- ▶ Significantly lower occupancy costs vs. Class 'A' rates for Montgomery County, downtown D.C. and Northern Virginia
- ▶ Voted NAIOP's 2014 "Best Mixed-Use Community"
- ▶ Nearly one million square feet of green, LEED-certified space
