OWNER-USER MEDICAL/OFFICE CONDOMINIUM

WESTCORD

EXECUTIVE SUMMARY

Westcord, as exclusive advisor, is pleased to present the opportunity to acquire the 100% fee simple interest in 555 Marin St, Suite 108, Thousand Oaks, CA (“The Property”), a newly renovated Class-A medical condominium in Thousand Oaks and perfect for an owner/user.

The property, located 2.8 miles away from the Los Robles hospital, has continued to maintain high demand since its construction in 2009, as it offers medical professionals the opportunity to own their real estate, rather than lease it. The Thousand Oaks medical market has historically outperformed its neighboring markets and is the most established medical market in Ventura County, CA.

CONDOMINIUM OVERVIEW

555 Marin St, Suite 108, Thousand Oaks, CA

Welcome to an unparalleled opportunity to own a recently remodeled medical condominium set against the breathtaking backdrop of the Santa Monica Mountains.

This prestigious medical office offers not just a space for your practice, but a statement of success and dedication to patient care. Experience the perfect blend of modern facilities and serene views, providing both you and your patients an environment of tranquility and professionalism. Step into a space where your practice can thrive, surrounded by the natural beauty and prestige of one of the most sought-after locations.

Opportunity to Purchase Business

With over 70 Centres listed worldwide, The TMJ & Sleep Therapy Centre is part of a franchised medical-dental practice network. This specific location, recognized as Centre #3, has flourished for 17 years, serving as a testament to its dedication to exceptional care and expertise. Under the guidance of Dr. David Shirazi, the Centre's holistic approach is devoted to addressing the comprehensive well-being of patients. Serving the communities of Thousand Oaks, Brentwood, and nearby areas, the Centre is committed to assisting individuals grappling with sleep apnea disorder and headaches.

Dr. Shirazi, a board-certified specialist in Cranio-Facial Pain, leads the delivery of well-coordinated and efficient care to enhance the overall health and well-being of patients. The Centre's team of experienced TMJ experts specializes in providing conservative treatment methodologies, including oral appliances, acupuncture, cold lasers, medications, and a range of non-surgical approaches. At The TMJ Sleep and Therapy Centre, each case is meticulously evaluated, followed by the creation of a personalized care plan designed to effectively address and manage the specific condition at hand.

If interested in purchasing the business, please contact broker.
