TRIANGLE

DEVELOPED IN 1959, the Bellaire Triangle Shopping Center was one of the first shopping centers in the city—a distinction that made the center a landmark address. After several small renovations over its 60-year history, the Bellaire Triangle Shopping Center is undergoing a full-scale renovation to breathe new life into its original 1950s architecture.

A multi-phase renovation kicked off in mid-2023 and expose steel columns, brick parapet walls, and bright colors that were part of Bellaire Triangle Shopping Center's original design, while public art installations on the walls will highlight new local talent. The centerpiece of the renovation will be restoring the open-air arcade between the two main buildings. With comfortable seating and plenty of natural light, the arcade will be a family-friendly spot to unwind during the day, while twinkling lights invite people to gather after a night out.

PROJECT SCOPE

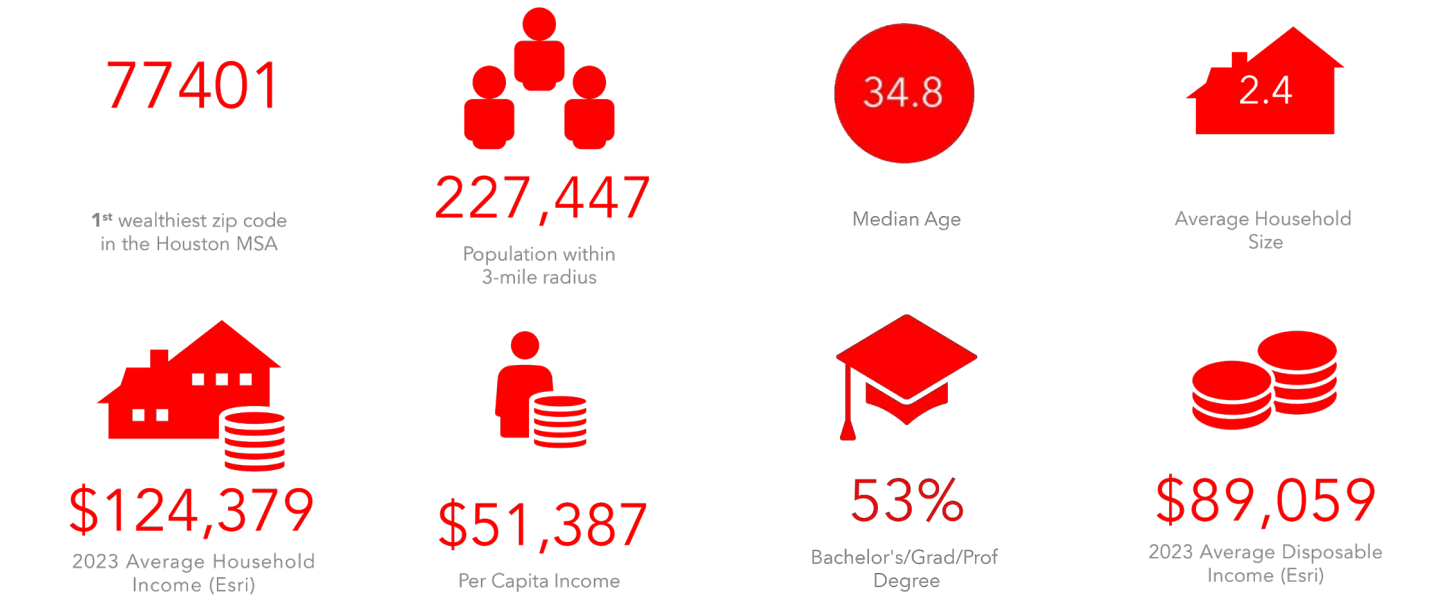

The Bellaire Triangle is comprised of 70,000 square feet of space strategically located between three major streets: Bellaire Boulevard, Chimney Rock Road, and Bissonnet Street. Upon completing its renovation, Bellaire Triangle Shopping Center will be the top choice for Bellaire—and Houston—residents looking for the ideal mix of local restaurants, boutique shopping and beautifully landscaped outdoor space to gather with friends and family.

DETAILS

- Currently Available space ranging from 1,500 - 7,000 square feet
- Ample signage opportunities at each major intersection and within the development
