Welcome to **642 Harrison Street**, a hospitality-infused workspace that redefines the traditional office experience. Designed to inspire creativity and productivity, our spaces evoke the chic ambiance of a trendy hotel or exclusive club like Soho House. Instead of a sea of desks, we offer curated collaboration lounges, workstation neighborhoods, living room-style gathering areas, quiet booths, and recreational amenities.

Tailored to a modern workforce, 642 Harrison also provides access to a gym, club house, and various outdoor living rooms. Our thoughtfully designed, club-like atmosphere makes 642 Harrison a compelling alternative to working from home and well worth the commute.
