MARKET STREET

A BOLD NEW CHAPTER

MORE THAN
AN OFFICE.

IT'S A **VIBE.**

A Philadelphia classic has entered a bold new chapter. With a strikingly redesigned lobby, prominent new signage, and a buzzing café energizing the ground floor, 1600 Market has been transformed for how today's companies work and connect.

The building's full-scale reinvention in the heart of City Center delivers a blend of inspiration, functionality, and a uniquely modern experience—exceeding the expectations of today's workforce.

PURPOSEFUL AMENITIES WITH A PHILLY **TWIST**

Designed exclusively for building tenants, this is one of the most creative and functional amenity spaces in Philadelphia.

AREP has redefined the workday with a bold, unexpected environment that inspires focus, fosters connection, and breaks the mold of the traditional office tower.

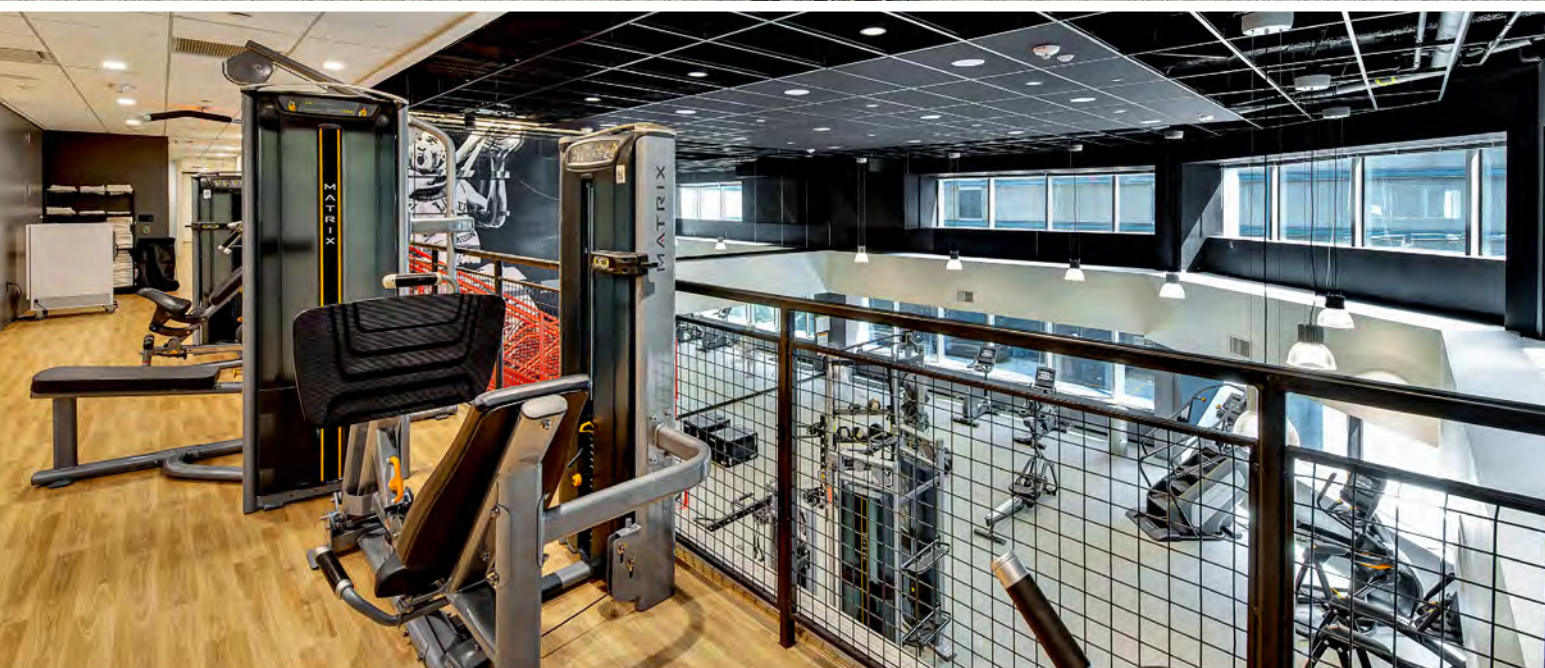

YOUR WORKOUT. YOUR SCHEDULE.

A 5,000 SF double-height fitness center right inside the building—flooded with natural light and outfitted with top-tier equipment.

Spa-inspired locker rooms, expansive workout areas, and a bright, energizing atmosphere make wellness a seamless part of the workday.

FUEL YOUR FLOW WITH **ELIXR** COFFEE ROASTERS

An award-winning local favorite delivers an exceptional sit-and-stay or grab-and-go café experience for tenants and their guests - right from the heart of the building's activated lobby.
