## About the Development Team

Viridian was founded in 2003 to deliver a seamless path for redeveloping/developing brownfield and greenfield properties.

Viridian has an acute understanding of the technical, regulatory and financial aspects of developments. Their knowledge and experience empower corporate and private property owners and communities to revive long abandoned properties.

Viridian's four partners bring over a century of experience in CRE and environmental remediation. Since its formation, Viridian has developed over 1,000 acres of land with an aggregate project value in excess of \$1.0 billion.
