Prime Investment Opportunity: Sevierville, TN

Sevierville, Tennessee is the gateway to the Great Smokey Mountains and Dolly Parton's hometown.

Alpine Hideaway Campground enjoys a premier location in Pigeon Forge, Tennessee, **one of the nation's premier RV and campground markets**. The property sits quietly between two mountain ridges, creating a peaceful and scenic atmosphere—yet remains only a few minutes from the vibrant Parkway corridor. This unique blend of seclusion and accessibility is a core driver of the campground's guest appeal.

Dollywood Theme Park – Less than 3 miles away, Dollywood attracts over 3 million visitors annually, offering year-round events, rides, shows, and seasonal festivals that generate consistent lodging demand.

Dollywood's Splash Country Water Park – A top-rated family water park located adjacent to Dollywood, open during peak travel months, and further boosts summer occupancy.

Great Smoky Mountains National Park – The **most-visited national park** in the U.S., just 8 miles from the property's entrance, offering hiking, wildlife viewing, and outdoor recreation to millions of annual visitors.

Gatlinburg & Sevierville – Within a 15–20 minute drive, these sister cities add layers of demand through attractions like Ober Mountain, Ripley's Aquarium of the Smokies, Tanger Outlets, and numerous museums, theaters, and dining experiences.

Pigeon Forge benefits from an extensive regional draw, attracting drive-to visitors from major metros including Atlanta, Nashville, Charlotte, and Cincinnati. Interstate 40 and U.S. Highway 441 provide convenient access, while the area's robust tourism infrastructure—trolley systems, parking, and event scheduling—keeps visitor traffic high year-round.

Alpine Hideaway's location allows it to capture both destination tourists visiting Dollywood and longer-term vacationers exploring the Smoky Mountains. Its position off the main tourist corridor reduces noise and congestion, while still enabling quick access to attractions, dining, and shopping. This balance makes it attractive for families, retirees, and repeat seasonal visitors seeking comfort, convenience, and natural beauty.
