Traffic Counts

Pisgah Church Road & North Elm Street (2019) **83,946 VPD**

- The Village at North Elm is one of Greensboro's premier mixed-use developments. It is anchored by a high-volume Harris Teeter, includes 64,000 square feet of Class "A" office space and The Village Lofts, a 213- unit luxury apartment community. The property has 151,000 square feet of retail space merchandised with a mix of national, regional and local retailers, restaurants and services.
- The Greensboro Urban Loop (I-840) only 0.4 miles north along North Elm Street as recently been completed and will significantly expand the shopping center's trade area. The Village at North Elm enjoys limited competition because of existing residential density, and its strategic location just south of Greensboro's Watershed district which is located just north of the Greensboro Urban Loop.
- Daytime populations - 2023 - 105,692 people within a 5-mile radius
- Traffic signals - One at the intersection of North Elm & Pisgah Church Road and a second located along Pisgah Church Road.
- Approximately 3 miles to Cone Hospital and approximately 3.8 miles to Downtown Greensboro.
