Area Overview

9021 Grapevine Rd West Lebec, CA

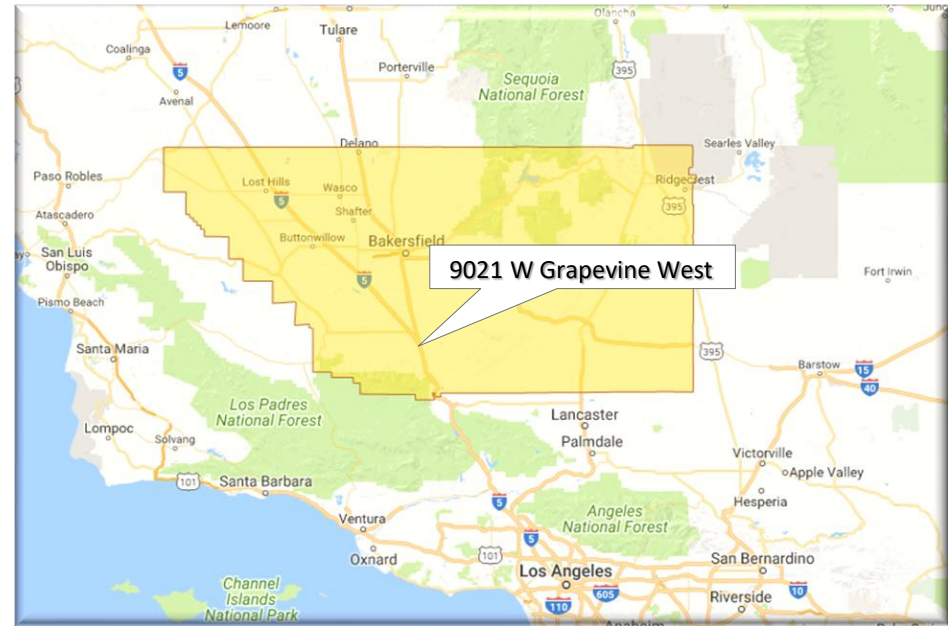

Interstate 5 Location Restaurant Location For Lease

KERN COUNTY

Kern County is strategically located and is the gateway to Southern California, the Mojave Desert, the Sierra Nevadas and the San Joaquin Valley. It is equidistant between Fresno and Los Angeles (110 miles). Because of its strategic location, Kern County is within easy reach of Los Angeles, San Francisco, Las Vegas, the Pacific Ocean or Yosemite National Park. Kern County is California's third largest county and is one of the fastest growing areas in the U.S. in terms of population growth.

Economy

Kern County's top two industries are energy and agriculture, and Kern is California's top oil producing county with 81% of the active wells in the state located here. Kern County is also home to two military installations, Edwards Air Force Base and China Lake Naval Weapons Center, which comprise a strong aviation, space and military presence. With its location on Interstate 5, the center of the state, TRCC provides dual port access from the Ports of Los Angeles/Long Beach and the Port of Oakland. TRCC's location is important to the Kern County's economy as it provides industrial sites eligible for Foreign Trade Zone benefits, large adjacent travel plazas providing off-site staging areas for trucks and amenities for drivers and an ideal location on Interstate 5 with close proximity to both Los Angeles and Kern County.

Bakersfield, the "Southern Gateway to the Central Valley," is the focal point of the larger Bakersfield-Delano, Metropolitan Statistical Area, which is congruent with Kern County and is one of the largest metropolitan areas in the United States.
