High-Capacity Distribution Center

3075 South Park Boulevard is a 234,525-square-foot distribution facility strategically positioned near the intersection of Anvil Block Road and I-675 in Ellenwood, Georgia. Originally built in 1998 and expanded in 2004, the property offers exceptional connectivity to I-285, I-75, and I-85—making it an optimal hub for regional distribution.

Key building features include 30' clear heights, front and side dock-high loading, 40' x 40' column spacing, and an ESFR sprinkler system, supporting high-volume, efficient operations.
