AQUILA™ 

Georgetown Gateway is a 147-acre master-planned industrial development strategically positioned along the IH-35 corridor, one of the nation's most vital trade routes. With direct frontage on IH-35 and seamless access to SH-130, the project offers tenants unparalleled connectivity to Mexico, the Port of Houston, Dallas-Fort Worth, and the Midwest. Georgetown itself has rapidly emerged as a premier manufacturing hub, attracting national and global operators with its pro-business climate, robust infrastructure, and highly skilled workforce.

PROPERTY HIGHLIGHTS:

- **Unmatched Scale:** ±1.6 million square feet of institutional-quality space across multiple buildings, with direct frontage on IH-35 and quick access to SH-130
- **Versatile Park Design:** Shallow-bay and cross-dock configurations tailored to diverse occupier needs
- **Modern Infrastructure:** Roadway realignments, utility expansions, and signalized access points ensure efficiency and reliability
- **Skilled Workforce:** Robust labor pool fueled by regional population growth and workforce training programs
- **Manufacturing Growth:** National and global manufacturers continue to expand in Georgetown, strengthening the area's industrial base
- **Trusted Partnership:** Developed in partnership with Mac Haik Enterprises and backed by a team with a proven track record of delivering large-scale industrial projects
