Coldwell Banker Commercial Blair is pleased to present a prime commercial property located at 225 East 6th Street in Long Beach For Lease. This office building underwent a complete remodel in 1999 when it was initially occupied by the YMCA. Since then, the property has been owner-occupied.

With approximately 7,950 square feet of space, the two-story building features an open layout on the ground floor, while the second floor is built out with office spaces. The building is elevator-served and offers ample on-site parking, including 68 parking stalls.

Strategically located across from the popular dining, events, and shopping experience at The Mosaic and many new downtown development projects, this property also boasts excellent signage opportunities, making it an ideal location for your business.

STREET FRONT RETAIL

225 E. 6TH STREET, LONG BEACH, CA 90802

ZONING

The property is zoned LBP30 which is within the boundary of the Downtown Plan Area. The roots of this document were formed in a highly social “visioning process” that began in 2006 with the volunteer efforts of a Visioning Committee and input received through public workshops. This initial process resulted in a message that combined words and imagery to convey what the future might of downtown Long Beach would look like. This visioning provided a necessary foundation for the Downtown Plan and, as a reference to that important foundational work. Going forward, the document will exist as the formal policy document to be used by City Staff daily to (1) keep true to the community’s vision, and (2) provide specific standards and guidelines to reference when working with developers. Allowable uses in the plan would include mixed-use requirements by right as well as retail uses such as restaurants, outdoor dining, business support services, and basic professional and personal services.

NEIGHBORHOOD DESCRIPTION

240 Pine Avenue is a commercially zoned retail property that is approximately ± 12,000 SF. This property is in the heart of Downtown Long Beach located on the high traffic corridor of Pine Avenue in between 3rd and 4th Street and located within proximity to two large City owned parking lots located on Broadway and on 3rd. The City owned parking lots provide 2- hour free parking to all customers and/or low priced monthly parking passes. The space has an open floor plan with high ceilings, restrooms located in the rear, large open area that can be used for storage, and built out office available in the 2nd floor mezzanine. The immediate area surrounding the property is retail, office, residential, and service type businesses. The adjacent retail spaces to the north of this property will soon be converted into restaurants and directly to the south of this property there is a brand new brewery called the Altar Society.

As a Pacific Rim city, Long Beach has many influences economically and culturally. Downtown continues to be the hub of tourism, business, and transit for the entire city. It is also home to a growing population of residents who want, within a livable urban core, convenient amenities, and services. Today, there are many facets that contribute to Downtown’s unique sense of place: It has a social heart (Pine Avenue and the waterfront), a civic core (Civic Center, City Hall, the newly constructed Governor George Deukmejian Courthouse), and major attractions (Long Beach Convention Center, The Aquarium of the Pacific and major hotels, restaurants, and beaches). Current market conditions are continuing to improve and new developments in Long Beach that have begun attracting new business, creative users, and visitors.
