Suite Advantages

Discover an exceptional opportunity with 8,000 SF of fully equipped broadcasting space in a prestigious location—formerly home to one of the top media broadcasting companies in the United States. This suite is currently built out with 12 soundproof broadcasting studios, each with adjoining control rooms, and includes an additional 7,000 SF of adjoining office space for enhanced functionality. The facility features a master control room that remains intact, ample existing power infrastructure, and generator backup for uninterrupted operations. With state-of-the-art technology, robust connectivity, and a legacy of excellence, this turnkey space is ideal for established media companies or emerging content creators looking to thrive in a premier broadcasting environment.
