A rare opportunity to secure a fully improved, freestanding three-storey flex building in Mount Pleasant. The property offers a highly functional blend of open flex space, warehouse with loading, a large private patio, and bright office across upper floors.

Level 1 is currently approved for laboratory use with grade loading access. Levels 2 and 3 are improved as professional office space, making the building ideal for operators requiring both technical and administrative components under one roof.

Significant capital upgrades have been completed in recent years, creating a turnkey solution for users in production, light manufacturing, lab, or specialized technical uses.
