Dennis quickly established himself as one of the Top Producing Commercial Real Estate Agents in the Commercial Division.

Over the past decade, Dennis has handled all types of Commercial Real estate transactions, from Landlord Representation for retail, office, medical, industrial spaces and more to selling every type of Commercial property spanning across the Island, from the Hamptons to the Burroughs.

Professional Background

As a native Long Islander, current resident, and Hofstra Graduate, I have worked in various aspects of retail banking, mortgages, financial services, and real estate. I began my career at The Long Island Savings Bank as a teller while attending college. I continued after graduation with the bank which was purchased by Astoria Federal. I later worked as a team leader in a local call center. I moved on as a Client Financial Analyst with Citibank as they acquired European American Bank and then decided to add to my knowledge base by joining Preferred Empire Mortgage, a local mortgage broker. While observing the mortgage industry grow beyond expectations, I decided to again diversify my experience by leaving the mortgage company in June 2006 and pursued a career as a financial advisor with Investors Capital, a nationwide independent broker/dealer. I obtained my real estate license in order to help people navigate these turbulent times in the real estate market as well. Observing the real estate market locally over the past 15 years has really given insight to what is out there. The combined 30 years of experience allow me to view a client's complete financial scenario from many perspectives. I enjoy being able to help homeowners and business owners make good decisions based on their needs.
