OWNER-USER

INVESTMENT OPPORTUNITY

Executive Summary

KW Commercial is pleased to present 3375 Aldebaran Avenue, an exceptional ±11,380 SF flex-office-warehouse property positioned in the thriving West Central Las Vegas submarket. This two-story building sits on ±0.45 acres with Industrial (M-1) zoning, offering unparalleled flexibility for investors and owner-users alike.

The property features modern office space with multiple private offices, conference facilities, kitchen, and eight restrooms, plus warehouse space with three grade-level doors, evaporative cooling, and ±20' clear heights. Currently ±50% leased to Outfront Media (NYSE: OUT), this asset delivers immediate cash flow with significant upside potential.

Investment Highlights

Sale Price: \$3,500,000

EGI: \$211,369.80 annually

Building SF: ±11,380

Lot Size: ±0.45 acres

Parking: 17 stalls

Strategic Location

Highway Access

Ideally positioned between Desert Inn and Valley View I-15 exchanges with exceptional visibility and connectivity to major traffic corridors

Airport Proximity

Just 4.3 miles from Harry Reid International Airport, facilitating logistics operations and business travel convenience

Retail Corridor

Minutes from vibrant Chinatown Retail Corridor featuring Spring Oaks Shopping Center, Chinatown Plaza, and Shanghai Plaza

Strip Access

Short drive to the world-famous Las Vegas Strip and resort corridor, providing unmatched business opportunities

Dual Investment Strategy

Investment with Income

Acquire a 90% leased asset generating \$211,369.80 annual income with a creditworthy NYSE-traded tenant (Outfront Media) providing stable cash flow and strong investment returns

Owner-User Opportunity

Occupy an office in the building while generating income from existing tenant.

This rare dual-strategy opportunity allows investors to customize their acquisition approach based on specific business objectives and capital deployment strategies.

West Central Las Vegas

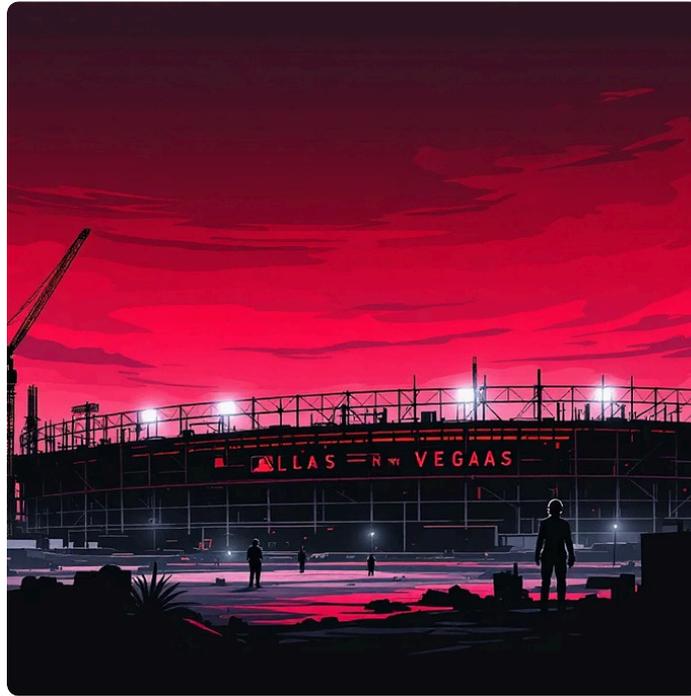

A Hidden Gem with Soaring Value

The West Central Las Vegas submarket represents one of the city's most dynamic growth corridors, strategically positioned just 7.6 miles from Harry Reid International Airport with seamless connectivity via I-215 and I-15 freeways. This thriving area combines proximity to the Strip with excellent access to major transportation arteries, making it ideal for commercial operations and logistics.

Evora Development

42-acre mixed-use campus featuring upscale apartments, Class A office space, dining venues, and retail. Expected completion: 2026

MLB Stadium

30,000-seat Major League Baseball venue on Tropicana Avenue, set to transform area economics. Opening: 2028

Las Vegas Loop

High-speed underground transportation system expanding citywide, recently connecting Allegiant Stadium and Caesars Palace

Brightline West

America's First True High-Speed Rail

Brightline West will revolutionize connectivity between Las Vegas and Southern California, creating unprecedented economic opportunities for the West Central submarket. This \$10 billion electric, emission-free rail system will connect Las Vegas to Rancho Cucamonga in just 2 hours 15 minutes at speeds up to 200 mph.

Economic Impact

- 40,000 construction jobs created
- 3 million cars removed annually
- 400,000 tons CO₂ reduction yearly
- 218-mile route alongside I-15
- Construction: 4 years (2028 launch)

Market Demographics

419K

Population

5-mile radius population with strong year-over-year growth projections

171K

Households

Diverse household base supporting commercial and retail activity

\$74K

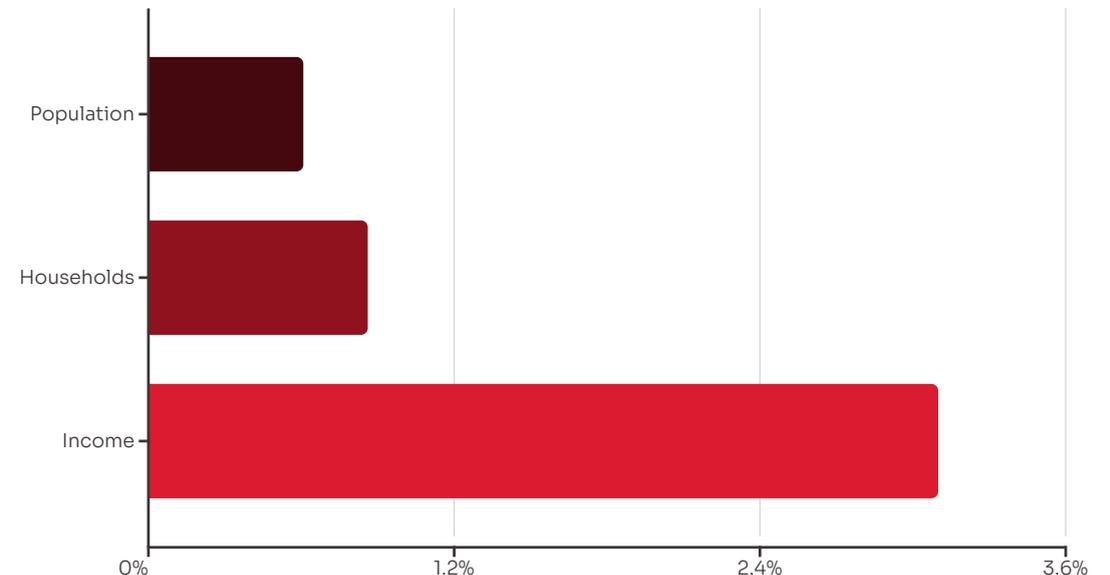

Avg. Income

5-mile radius average household income, growing 3.10% annually

Traffic Counts

- Valley View Blvd: ±28,300 VPD
- Desert Inn Rd: ±36,000 VPD
- Spring Mountain Rd: ±32,000 VPD

High-traffic corridors ensure maximum visibility and accessibility for businesses operating from this strategic location.

Nevada Tax Advantages

Nevada ranks 7th nationally in the Tax Foundation's State Business Tax Climate Index, offering one of the most business-friendly environments in the United States. This competitive advantage attracts companies from high-tax states like California (ranked 48th), making Nevada a premier destination for business relocation and expansion.

No Income Tax

Zero state income tax on individuals, corporations, partnerships, and LLCs—maximizing profitability and cash retention

Low Property Taxes

Competitive property tax rates with no gross receipts tax, franchise tax, or inventory tax on business assets

Corporate Benefits

No tax on corporate shares issuance or transfers, plus no estate or inheritance taxes for business succession planning
