Elevate Your Work Environment

Dimensional Place is a two-building, 22-acre corporate campus located among the lush landscape of West Lake Hills, just seven miles from Downtown Austin. Building Two encompasses 157,783 square feet and five stories of exceptionally designed office space.

The incredible floor-to-ceiling windows allow natural light to pour in while showcasing panoramic views of the rolling hills, making this the ultimate work environment for companies seeking elevated office space away from the stress of Downtown. With expansive hills to the west and the city skyline to the east, every view can be captured from this curvilinear building.
