## EXCITING TRANSFORMATION ACROSS THE STREET

Metrocenter Mall, once a Valley landmark, is being reimagined as The Metropolitan — a \$850 million, transit-oriented mixed-use community. Anchored by the brand-new light rail station and Thelda Williams Transit Center, the project will deliver more than 1,000 new townhomes, vibrant retail and dining destinations, lush parks, and a central plaza designed for community events. Plans also include pedestrian-friendly pathways, bike connections, and an amenity-filled garage with restaurant, pool, pickleball courts, and retail overlooking the plaza.

For businesses at Metro Executive Park, this redevelopment represents a rare opportunity: immediate proximity to a major lifestyle hub that blends residential, retail, and entertainment with unmatched connectivity across the Valley. Employees, clients, and visitors alike will benefit from walkable amenities, easy transit access, and the energy of a revitalized North Phoenix corridor.

## INTERSTATE 17 (I-17)

Interstate 17 provides unmatched accessibility and visibility. The freeway is one of the city's major north-south corridors, connecting tenants to Downtown Phoenix, Sky Harbor International Airport, Deer Valley, and the broader Metro area with ease. This central location reduces commute times for employees, simplifies client visits, and enhances business connectivity across the Valley. Additionally, the I-17 corridor is surrounded by a strong base of retail, dining, and service amenities, creating a convenient and attractive environment for both

# NORTH PHOENIX, ARIZONA

Positioned in the heart of North Phoenix, the I-17 and Peoria Avenue corridor is a thriving hub of commerce, connectivity, and growth. With direct freeway access, businesses enjoy seamless connections to Downtown Phoenix, Deer Valley, and Sky Harbor International Airport. The area is surrounded by established residential neighborhoods, a strong workforce base, and a wealth of retail, dining, and service amenities. Major investments — including the \$850 million redevelopment of the former Metrocenter Mall into The Metropolitan, a walkable mixed-use community anchored by a new light rail station — are transforming the district into one of the Valley's most dynamic business environments.
