MINDFULLY CREATING COMMUNITY

LC Real Estate Group is built on over 25 years of community building in Northern Colorado. We focus on thoughtfully and intentionally creating great places for people to work, play, learn, and raise their families. Our strategy is to serve the community and help it thrive by creating opportunities and wealth for those we touch through our work.

With our roots in Loveland, the company was originally founded in 1996 with a focus on development in Loveland. Since that time, the company has grown in depth and become a regional player with the growth of its commercial and residential brokerage, investment property, property management, home building, liquor store, and other local businesses. The company has grown in breadth with regional activities and investments in Northern Colorado, Metro Denver, Colorado Springs, and neighboring states.
