Additionally, the lease features 10% rental escalations throughout the primary term and four 5-year renewal options. The lease features a personal guaranty from the franchisee.

The property is positioned at a signalized hard corner along US Highway 24, carrying 41,000 vehicles per day through the Colorado Springs metropolitan area. The broader Colorado Springs MSA is home to over 760,000 residents supported by a diversified economy spanning defense, technology, healthcare, and tourism, with major employers including Lockheed Martin, Hewlett Packard Enterprise, and Oracle.
