This new construction opportunity along Land O Lakes Blvd offers a highly versatile setting ideal for medical, professional office, retail, or restaurant users. The development features four buildings measuring 50' x 60' and one building measuring 60' x 50', all designed to accommodate a wide range of layouts and business needs.

Delivered in built out condition, making the property especially well suited for dental and medical practices seeking purpose-built space. Ample on-site parking enhances convenience for patients, customers, and staff, while the prominent Land O Lakes Blvd frontage delivers strong visibility and easy access.
