Saturday: 8 AM - 1 PM

Sunday and Building Holidays: Closed

AIR CONDITIONING

After-hours air conditioning can be arranged at a rate of \$65.00 per hour. Requests must be made 24 hours in advance through the management office.

Air quality is enhanced through the use of air handler unit filters and UVC lighting designed to reduce pathogens.

SECURITY

The Pacific Guardian Center's security office is centrally located between the Makai and Mauka towers at plaza level. It operates 24/7 and monitors approximately 200 security cameras placed across the property.

PARKING

The enclosed parking structure features one-way traffic flow with alternating crossover lanes on different levels. There are approximately 771 spaces available (1:950 parking ratio) with access via Alakea Street. Clearance height is 6' 5".

Onsite parking includes spaces for motorcycles, bicycles, and electric vehicles (EV) with dedicated charging stations.

CEILING HEIGHT

Standard ceiling height is 8' 6" with an accessible suspended ceiling grid measuring 20" x 5'.

LOADING AREA

The loading area, accessible via Alakea Street, features six bays, a maneuvering zone, 14' clearance, and access to the freight elevator. The Dillingham Transportation Building also has a loading zone, which is accessible from Nimitz Highway.

EMERGENCY GENERATOR

A 500KW emergency generator provides power for essential systems, including emergency lighting in stairways and hallways, the stairwell pressurization fan, fire alarm and security systems, fire pumps, and emergency load panels on each floor. It also powers one elevator per tower. The Dillingham Transportation Building has battery-powered emergency lights in its stairwells and exit points on each floor.

ELECTRICAL CAPACITY

Standard electrical supply on each floor is powered by a 30KVA transformer to handle typical 110-volt loads. Special power requirements can be met through a 3,000-amp service available on every floor.

JANITORIAL SERVICES

Janitorial services are offered five days a week, from Sunday to Thursday.

STORAGE SPACE

There are 80 storage units available for monthly rent, ranging in size from 15 square feet to 365 square feet, subject to availability.
