RANCH & LAND

RIVERFRONT RANCH

58.25± acres | Waller County

PRICE: \$1,475,000

WWW.RUPLEPROPERTIES.COM

One family has owned this rare and remarkable Brazos river-front property for nearly 80 years. Located near Monaville, this ranch offers proximity to Houston and seclusion with road frontage on the dead-end Harper's Church Rd. There is some roll to the land before you get to the magnificent views of the Brazos River. Although there is that drop-off before the river, a trail is navigable by foot to reach the river. There are more than 2,000 feet of river frontage. The ranch is currently under Ag exemption and produces hay which the owners allow a local third party to bail. There is electricity on the road and several obvious building sites for a home. If you like to hunt, the ranch has more than its' fair share of deer, hogs, and predators. This property's location, river frontage, and beauty make it a great place for a second home, a recreational ranch to hunt and fish, and a great investment!

The information contained on this site and offered herein was obtained from sources deemed to be reliable. Ruple Ranch & Land, and or its agents, (The Company), do not warrant the accuracy of the information, whether printed or displayed, presented in marketing materials supplied to prospective buyers. The Prospective buyer assume all responsibility for verifying all information supplied to them by The Company and the buyer prospect should diligently investigate all aspects of a property, including but not limited to, natural and manmade attributes, local, state and federal laws and regulations and all other matters related to the purchase of the property. Prospects should arrive at and draw their own conclusions regarding a particular property(s) usefulness, its value and all other matters related to a purchase. The property is subject to price change and/or adjustment, acreage change and/or adjustment and/or removal from the market, at the sole discretion of the Seller. Boundary maps and property depictions are not to be relied upon as actual or accurate boundary representations, they are only for illustrative informational purposes. All boundary lines should be verified by an existing survey, or the preparation of a new survey, obtained by the prospect, prepared by a licensed surveyor. All acreage and improvement measurements are estimated and should be verified by the buyer prospect. Photos may be distorted due to alterations, enhancements, website technical issues and/or multiple reproductions. Other brokers/agents must accompany client at showings to participate in fee structures.
