ELEVATE YOUR OPERATIONS IN STAMFORD'S NEWEST WAREHOUSE FACILITY

120 Hamilton Avenue, Stamford's newest industrial development, is a 112,405-square-foot state-of-the-art warehouse facility set to open in Q2 2026. Designed with modern business needs in mind, this single-story, flex industrial building will be equipped with advanced EFSR sprinkler systems, 4,000 amps of electrical capacity, and 100% air conditioning for optimal comfort and functionality. The building also boasts a 32-foot clear ceiling height, making it ideal for businesses requiring efficient storage and operational space. This project represents a rare and significant investment in Stamford's commercial infrastructure, offering businesses a unique opportunity to operate in a cutting-edge facility within one of the region's most dynamic markets.

DEMOGRAPHIC OVERVIEW

Stamford, CT, has emerged as a vibrant hub of commerce, blending a dynamic business environment with an excellent quality of life. As part of the Northeast Corridor, Stamford offers unparalleled access to major metropolitan areas, including New York City and Boston, via I-95, the Merritt Parkway, and the Metro-North Railroad, making it an attractive location for businesses and professionals. The city is situated in a high-income area, surrounded by affluent neighborhoods, which support a thriving retail, dining, and service economy. Stamford’s growing skyline is a testament to its flourishing sectors, including finance, real estate, technology, and healthcare.
