The Offering

PartnersCRE is excited to offer a premier opportunity to acquire a **Ready-to-Issue (RTI), 91-unit, fully Affordable Housing Development**, set on a spacious **16,010 SF** lot in the highly sought-after and rapidly evolving **Reseda** neighborhood. This prime site is perfectly situated for accessibility, just moments away from key local destinations like the **Van Nuys Airport** and **Warner Center**, providing seamless access to transportation, shopping, and major employment centers.

Designed for both efficiency and cost-effectiveness, this **4-story, stacked on-grade development** features a thoughtfully planned **unit mix**, including **23 studios, 62 one-bedroom units, and 6 two-bedroom units**, offering approximately **42,011 SF of buildable space**. Set in a primarily residential area, the site offers excellent **street parking availability**, as well as a **walkable environment** with essential services and public transit just a short stroll away.

The project benefits from eligibility for participation in the **HCD Schedule VI moderate-income and TCAC Schedule IX low-income** programs, both of which are standard for **100% affordable housing developments** in Los Angeles. With the potential to attract **Section 8 voucher tenants**, rental income could increase by as much as **20% per unit**, providing significant financial upside.

A standout feature of this development is its **zero parking requirement**, resulting in substantial **cost savings** and a streamlined, transit-friendly design. With a **Walk Score of 88**, the neighborhood is rated as “**Very Walkable**,” making it a perfect location for residents who prioritize ease of access to transit and daily amenities. This is an exceptional opportunity for investors looking to capitalize on one of Los Angeles’ most promising affordable housing projects.

Section 8 - Voucher Payment Standards

Voucher Payment Standards (VPS)

Bedroom Size	Voucher Payment Standard
SRO	\$1,598
0	\$2,132
1	\$2,407
2	\$3,052
3	\$3,915
4	\$4,320
5	\$4,968
6	\$5,616

Housing Authority can pay to help a family with rent. The family's voucher will show the number of bedrooms authorized by the Housing Authority, based on the number of persons in the family.

The Housing Authority establishes Voucher Payment Standards (VPS) based on the Fair Market Rents (FMR), which are established at least annually by U.S. Department of Housing and Urban Development (HUD). The VPS is the maximum subsidy the Housing Authority can provide toward the contract rent (rent plus utility allowance for utilities, stove or refrigerator paid or provided by the tenant). If the contract rent (rent plus utility allowance) is more than the VPS, the family must make up the difference out of its own pocket.

The Housing Authority must use the SMALLER of the number of bedrooms in the rental unit or the number of bedrooms on the voucher to determine the VPS. For example, if a family locates a two-bedroom unit with a three-bedroom voucher, the two-bedroom VPS must be used to calculate your tenant portion of the rent.

The following chart depicts the VPS for the Housing Authority of the City of Los Angeles (HACLA).

LAHD OCCUPANCY MONITORING: NEXT STEPS

Congratulations! You've completed your covenant. What's next?

1. Read your covenant for specifics

Your covenant specifies the rent that you can charge, tenant household income limits, how many and which units are restricted, term and how to maintain compliance with the City.

2. Contact the City BEFORE you expect to obtain your Certificate of Occupancy

The Owner must contact the City within 120 days of issuance of a Certificate of Occupancy or Certificate of Completion. **Prior** to renting any restricted unit, the Owner must request the City to certify the eligibility of any prospective household by submitting the required **Income Certification Application Package**.

When you contact the City, we will provide:

- Income Certification Application Package
- If needed, training to complete the Application Package. Trainings are provided **by appointment**
- Current income & rent limit schedules

CONTACT US

Email: lahd.occmonitor@lacity.org
Phone: (213) 808-8806

3. Advertise

Your covenant requires you to advertise the affordable units at lahousing.lacity.org to notify the public on how to apply for restricted units. For questions about advertising, email lahd.occmonitor@lacity.org.

4. Select prospective tenants

The Owner makes the selection of an Eligible Household by submitting the required Application Package and required documents to LUcert@ufbahc.com. Our contractor, Urban Futures Bond Administration (UFBA), reviews Income Certification Application Packages. The Owner is responsible for verifying the Households' eligibility using their employment verification, paycheck stubs, bank statements, benefit statements (SSI, SSA, EDD, CalWorks), tax returns and other income and asset documentation. Failure to rent to an Eligible Household will result in the Owner paying the City all rents received for each day of occupancy by unqualified tenants.

5. Keep your records and report annually

After tenants are approved for income eligibility, and the tenants move in, keep those approvals on file. You will be required to submit an annual report to UFBA to ensure your approved tenants have remained and their rents are within the program limit. UFBA will send you an introductory letter when it is time to submit your first report. Another requirement of your covenant is an annual monitoring fee. The City will send you an invoice every year.

Tenants with Housing Choice Voucher (Section 8) or other rental subsidies

Tenants with rental subsidies may reside in restricted units so long as the tenant's portion does not exceed your covenant's maximum rent limit. The project can collect a monthly rent from the subsidy that is higher than the Covenant's rent limit and remain in compliance with its covenant. *Ask how tenants with a rental subsidy may waive the Income Certification requirement.
