FAUSTO COMMERCIAL PRESENTS

Rare opportunity to acquire ±26,000 SF of fully entitled heavy industrial land in Opa-locka, within Miami-Dade's most constrained industrial corridor. Heavy industrial zoning supports outdoor storage, truck terminals, and manufacturing uses difficult to entitle across South Florida. Direct access to SR-9/US-441 and the Palmetto Expressway, adjacent to Opa-locka Executive Airport. At ~\$85/SF, this is below replacement cost in a market where industrial vacancy sits below 3%.

- IU-3 zoning: outdoor storage, truck terminals & manufacturing
- ~\$85/SF — below replacement cost in Miami-Dade's industrial corridor
