Drunch Eatery + Bar is an all-day, brunch-focused gastropub concept that serves creative, locally-sourced dishes and specialty cocktails—committed to delivering a unique and unparalleled culinary experience. **Drunch's** first location opened in Columbus's trendy Italian Village area in 2017.

Qahwah House is a family business established for the sole purpose of providing the best quality coffee with no added preservatives, artificial additives, or flavors. Their expertise originates from Yemen, where they were born and raised among coffee plants. From this inherited practice, they know what it means to love coffee. Fresh-baked pastries include sabaya—a flaky, layered bread cake and honeycomb pastry that is filled with cheese and drizzled with honey.

Since 1977, **Kenneth's Salons + Day Spas** has offered a comprehensive beauty and relaxation experience--meticulously curating hair, nail, facial, and massage services in one convenient setting. Their skilled professionals blend technical expertise with innovative techniques to deliver personalized and exceptional care.

Smoked Lick Barbeque ensures that, if you're a true BBQ enthusiast eager to experience the finest flavors from Memphis to Texas, look no further than their menu. Explore their featured BBQ items including top recommendations like ribs, brisket, pulled pork, sausage, the Smoked Daddy sandwich, or the San Miguel's deviled eggs.

Established in 2016 in southwest Ohio, **Old Scratch Pizza & Beer** is anything but ordinary. Baked in their on-site, wood-fired ovens, their "midwesternly Neopolitan" pies and rotating seasonal cocktails offer something different for everyone. Appetizers include hummus, roasted cauliflower, and oven roasted olives. **Old Scratch Pizza & Beer** was named "2024 Midwest Pizza Company of the Year" by The Pizza Industry Excellence Awards.

The **Community Entertainment District** designation provides the TruePointe development with the unique opportunity to have **14 allocated liquor licenses** to be made available to retail tenants—without these tenants having to separately seek a license directly through the State of Ohio.
