ADDITIONAL INFO / PHOTOS

This premium commercial land presents an excellent opportunity for large scale commercial development, ideal for a wide range of businesses including transportation, bio-tech/medical, industrial, cold storage, manufacturing, wholesale distribution, or various other warehouse & significant large company operations. Strategically located in the corridor area of Eyota, MN this property has undergone a ENV Phase 1 review and offers significant upward potential for growth, now ready for development - water/sewer hook-up and utility pre construction complete.

Key Features:

- **Prime Location:** Situated in Eyota, MN, this land is just 10-15 minutes East from downtown Rochester, providing convenient access to major business and corridor hubs.
- **Transportation Access:** The property abuts the CPKC rail line and is affixed with a bordering rail spur, allowing for easy freight and distribution on own within a 3rd party agreement option. Switch and rail details can be provided. Highway 90 access is located within approximately 5 miles, enhancing connectivity.
- **Utility Access:** Water and sewer connections are in close proximity and ready for hook-up, highway turn lane and base roadway already complete, ready to service future development project(s).
- **Flexible Development Options:** The land can be purchased as a whole (2 parcels) or split accordingly into strategic parcel layouts to suit specific business needs.
- **Zoning for Commercial Use:** Ideal for a range of industrial and commercial applications, offering the flexibility needed for large-scale operations.
- **Major Manufacturing in progress** in the immediate area.

Whether you're planning warehouse facilities, a wholesale distribution center, large scale or a strategic transportation hub, this is a rare opportunity to secure a strategically located prime piece of land with nearby rail and significant potential for growth. For more information, please contact us today to explore the possibilities.
