▼ **Builder Notice**

To the best of our knowledge, these plans are drawn to comply with current and applicable building specifications and all changes made on these plans after the prebid completion date will be done at the owner's entire burden, expense and responsibility. The contractor shall verify all dimensions and materials shown. J & J Designs is not liable for errors once construction has begun. We cannot be held responsible for any errors or omissions made in the preparation of these plans. It is advised that the contractor verify all dimensions and materials shown on the plans to avoid mistakes. The contractor agrees to hold J & J Designs harmless. The contractor of the job shall check all dimensions and materials prior to construction and be held responsible for any mistakes and omissions.
