EXECUTIVE SUMMARY

HILLCREST HAVEN

EXCEPTIONAL DEVELOPMENT OPPORTUNITY IN EAGLE ROCK

SUBJECT
PROPERTY

We are pleased to exclusively present Hillcrest Haven, a unique and remarkably affordable opportunity to acquire approximately ± 3.06 acres of vacant land in the highly sought-after neighborhood of Eagle Rock. Nestled in the hills and oriented to capture maximum natural light, this south-facing property offers breathtaking 270-degree panoramic views of Los Angeles – including Downtown LA, Eagle Rock, Glendale, Pasadena, and beyond.

This expansive hillside parcel offers a unique blend of privacy and accessibility, located directly north of and adjacent to the 134 Ventura Freeway and simultaneously directly south of the highly desirable Glenoaks Canyon neighborhood of Glendale (the neighborhood before entering the hiking trails). The site features a network of natural hiking trails with access points to Mt. Carmel Drive, Sleepy Hollow Place, and Valley Vista Drive, offering potential for recreation or thoughtfully designed development. Its elevation and orientation ensure optimal exposure to natural light throughout the day, making it ideal for thoughtfully designed homes that embrace indoor-outdoor living.

Zoned LAA1 (Residential Acreage), the property provides a range of development possibilities including single-family residences, large estate homes, or potential subdivision opportunities (buyer to verify). The A1 zoning offers favorable conditions for low-density residential development within a peaceful, natural hillside environment, yet only minutes from the vibrant commercial and cultural centers of Eagle Rock and adjacent neighborhoods.

With strong demand for new housing, continued upward pressure on home prices in Eagle Rock, and the scarcity of large parcels in Los Angeles proper, Hillcrest Haven stands out as a compelling opportunity for builders, developers, land bankers, or visionary end users.
