AREA OVERVIEW

More than 7 million visitors a year come to Santa Monica because it is a renowned beach city and close to other Los Angeles attractions. Santa Monica is known as a walkable and bike-friendly town, so it's easy to get around and experience world class shopping, dining, and entertainment. Downtown Santa Monica is home to the Santa Monica Pier, Third Street Promenade, Palisades Park and Santa Monica beach.

The Property is located in Santa Monica's Wilshire-Montana neighborhood, the City's largest multifamily neighborhood conveniently nestled between the commercial corridors of Montana Avenue to the north, 21st Street to the east, Wilshire Boulevard to the south, and Ocean Avenue to the west. The neighborhood includes many of the City's memorable cultural, architectural, and geographical characteristics—from the bluffs of Palisades Park to the palm tree-lined avenues and the grand apartment hotels dating back to the 1920s and 1930s. The interplay between West Wilshire's residential buildings and the idyllic Southern California outdoor environment makes the neighborhood a highly desirable place to live.
