## INVESTMENT SUMMARY

---

Cushman & Wakefield has been exclusively retained to sell the condominium ownership interest in the entire floors 33, 34, 35, 36, and 37 at 633 Third Avenue (“The Property”). The Class A office condominiums are located on Third Avenue within one of the most highly desired submarkets in Manhattan, the Grand Central submarket, just east of Bryant Park and west of the United Nations. The Property is being sold by Time Equities (“Owner” or “TE”), the original Sponsor who converted the office tower to condominium in 1995. The floors will be delivered vacant allowing immediate possession.

## THE COMMERCIAL CONDOMINIUM

---

Each floor in 633 Third Avenue is a separate condominium unit. Time Equities owns the 33rd through 37th floors and the associated common areas, representing an approximate 10.024% condominium ownership interest in the building. The subject units are identified as Block 1314, Lots 1432, 1433, 1434, 1435, and 1436 on the tax maps of NYC. Each floor measures approximately 19,729 RSF for a total contiguous block of 98,645 RSF. Floors 33-34 are interconnected via an internal staircase and floors 35-37 are interconnected via an internal staircase making seamless interconnectivity for two and three floor tenants.

Other Owners of condominium interests in the building include Memorial Sloan-Kettering Cancer Center, the New York State Governor's Office, the Consulate General of Switzerland and Austria, UNICEF, The World Zionist Organization as well as many other consulates, missions, For- and Not-For-Profit organizations.

## THE PROPERTY

The Building is a 41-story steel frame office tower located on the easterly block front of Third Avenue between 40th and 41st Streets in the Grand Central office district of Manhattan. The subject premises consists of ±98,645 RSF situated within a 1 million+ square foot Class A office building that was constructed in 1960. Floor plates range in size from 17,060 to 44,779 RSF.

## OFFERING PROCESS

The Property is being offered for sale on an “as-is” basis with vacant possession immediately and an existing office buildout with furniture. On a lease basis Ownership is willing to provide market rate concessions judiciously dependent upon term and economic factors. All interested parties are encourage to tour the building and review the due diligence materials.

## CONDOMINIUM UNITS OFFERED

The units being offered for sale or lease are five full floors of office spaces measuring approximately 19,729 RSF per floor and 98,645 RSF contiguous. Floors 33-34 are interconnected via an internal staircase and floor 35-37 are interconnected via an internal staircase making seamless interconnectivity for two floor and three floor tenants.

**98,645 RSF**  
**FLOOR 33 - 37**

633 Third Avenue
