## TO MODERNIZE

One University Place is founded on the principle that the right design can inspire and create more for a tenant than just walls — a moment of quiet reprieve at the lake, a walk to a bustling center, a brilliant idea conjured in the light-bathed patio. Thoughtful front-of-house improvements enhance the tenant experience, while back-of-house upgrades ensure operational functionality and new ownership ensures overall excellence. Altogether, One University Place offers a modern interior surrounded by natural elements and illuminated by abundant light.
