Commercial Investment Opportunity

Strategically located in the heart of Naples, 1020 8th Avenue South presents a rare opportunity to acquire a premier property within one of the strongest and most supply-constrained real estate markets in Southwest Florida.

Positioned just minutes from the luxury retail, dining, hospitality, and entertainment districts of Fifth Avenue South and Third Street South, the property benefits from exceptional visibility, accessibility, and long-term market fundamentals driven by continued population growth, high household incomes, and sustained demand for premium real estate in Old Naples.

The surrounding area is characterized by luxury residential development, boutique commercial uses, upscale hospitality, and strong seasonal and year-round consumer activity. Its central location near Naples Bay, Gulf beaches, and Downtown Naples creates a highly desirable environment for investment, redevelopment, or repositioning strategies.

This offering represents a compelling opportunity for investors, developers, and owner-users seeking to capitalize on the continued growth and limited inventory within the Naples luxury coastal market. Properties in this corridor rarely become available, further reinforcing the long-term value and strategic importance of this location.

- Surrounded by top-tier dining, luxury retail, and hospitality, enhancing tenant visibility and customer draw.
- Steps from Fifth Avenue South, one of Southwest Florida's highest-performing retail corridors.
- Located in one of the most pedestrian-friendly areas in Naples, driving consistent foot traffic and strong tenant exposure.
- Walkable coastal urban environment
